Description :

Prsentation de l'diteur*** FROM USA TODAY BESTSELLING AUTHOR J. ROBERT KENNEDY
***Would you help, would you run, or would you just watch? When a young woman is brutally assaulted by two men on the subway, her cries for help fall on the deaf ears of onlookers too terrified to get involved, her misery ended with the crushing stomp of a steel-toed boot. A cell phone video of her vicious murder, callously released on the Internet, its popularity a testament to todays depraved society, serves as a trigger,

pulled a year later, for a killer. Emailed a video documenting the final moments of a woman's life, entertainment reporter Aynslee Kai, rather than ask why the killer chose her to tell the story, decides to capitalize on the opportunity to further her career. Assigned to the case is Hayden Eldridge, a detective left to learn the ropes by a disgraced partner, and as videos continue to follow victims, he discovers they were all witnesses to the vicious subway murder a year earlier, proving sometimes just watching is fatal. From USA Today bestselling author J. Robert Kennedy comes *Depraved Difference*, a fast-paced murder suspense novel with enough laughs, heartbreak, terror and twists to keep you on the edge of your seat, then knock you flat on the floor with an ending so shocking, you'll read it again just to pick up the clues. Available Detective Shakespeare Mysteries: *Depraved Difference*, *Tick Tock*, *The Redeemer* Presentation de l'auteur*** FROM USA TODAY BESTSELLING AUTHOR J. Robert Kennedy always had a strong interest in creative writing, however managing a successful business and having a family took priority to realizing that dream until recently. He returned to writing as a means of relaxation, and his first effort, a short story, was immediately accepted for publication. Several more professional writing credits followed, including the acceptance of his first novel, *The Protocol*, by the first publisher he sent it to. This was followed by the international bestseller, *Depraved Difference*, and *Brass Monkey*, a sequel to *The Protocol*. Robert was born in Glace Bay, Nova Scotia, and grew up an Air Force brat, living in Halifax and Greenwood, Nova Scotia, Goose Bay, Labrador, Lahr and Baden, Germany, and finally Winnipeg and Portage la Prairie, Manitoba. He attended university in Waterloo and settled in Ottawa, Ontario. Robert has a wife and daughter, and is hard at work on his next novel.
