Description :

Prsentation de l'diteur"Dubito, ergo sum" explores the greatest threat to futurelife on Earth: living only for the present, and "damn the torpedoes!" Astronomer Michael Kerr cannot accept the skepticism and denial of science, of common sense. "Why the hell would `skeptics' choose to play Russian Roulette with their grandchildren?" Ethics, politics. Physics, evolution. Guilt, innocence. Adults, children. Fermi's Paradox. These issuestorture the minds of Michael and fellow interstellar travelers sent on a mission of hope. . Can humanity survive cataclysmic climate change? "Dubito" is followed by "Credo" and "Cogito", in the "Ergo sum" trilogy, chronicling the unfolding story of planetary "un-natural history".Prsentation de l'diteur"Dubito, ergo sum" explores the greatest threat to futurelife on Earth: living only for the present, and "damn the torpedoes!"
