## Description :

Prsentation de l'diteurThe DOG can look forward to a good year if you can adopt a positive and focused attitude. You enjoy good fortune stars of Big and Small Auspicious, indicating that astrologically, you can benefit from the years alignment of energies. Your main problem will be the #3 star brought by the years feng shui winds. This causes you to worry unnecessarily and could put you into situations of conflict that bring danger and stressful moments, something you must strenuously try to avoid. The key to making the most of your powerful success luck is to subdue anger energy from erupting as soon as it arises. Your path to success can be smooth, but your life force and spirit essence must be strengthened. Make an effort to generate positive personal motivation. Stay focused on your goals and refrain from being distracted by side issues. Do not be petty this year. The more big-hearted you are, the easier it will be to achieve
