Revue de presse Patrick Lee's Ghost Country is in a word: Brilliant. Less a novel, than an adventure, it left me breathless and awed. Its explosive, innovative and ultimately mind-blowing. Pure exhilaration from the first page to the last. (James Rollins, New York Times bestselling author of The Doomsday Key) Settle back and savor this one. Patrick Lee has an intense brand of storytelling. He's a most welcome addition to the genre. The real deal. I look forward to reading more from him. (Steve Berry, New York Times bestselling author of The Emperor's Tomb) WOW! Double Wow! Starkly original, Ghost Country by Patrick Lee will make Asimov and Heinlein cheer with the angels. The techno-thriller meets Sci-Fi, and the result is mind-blowing. Makes Tom Clancy look like the slowest child in the class.
